America on the Move explores the role of transportation in American history. Visit communities wrestling with the changes that new transportation networks brought. See cities change, suburbs expand, and farms and factories become part of regional, national, and international economies. Meet people as they travel for work and pleasure, and as they move to new homes.

A History of the English-Speaking Peoples is a four-volume history of Britain and its former colonies and possessions throughout the world, written by Winston Churchill, covering the period from Caesar's invasions of Britain (55 BC) to the beginning of the First World War (1914). It was started in 1937 and finally published 1956â€“58, delayed several times by war and his work on other texts.

African-American history is the part of American history that looks at the African-Americans or Black Americans in the United States.. Although previously marginalized, African-American history has gained ground in school and university curriculum and gained wider scholarly attention since the late 20th century. The black history that pre-dates the slave trade is rarely taught in schools and is ...
