The LVS-9580 is a high-performance handheld solution for off-line barcode verification to ISO/IEC, ANSI, GS1, and UDI standards. Featuring a high-resolution 5.0 megapixel

LVS-9580 Portable Barcode Verification System

A person specification describes the personal attributes desired in a potential employee. It is similar to a job description, but more specific. These attributes include qualifications, skills, experience, and knowledge, and sometimes personal attributes which a candidate needs to possess in order to perform the job duties. The specification should be derived from the job description and thus ...

Person specification - Wikipedia

To facilitate an open discussion among stakeholders, EPA will host 2 separate calls on connected lighting and lighting product packaging. These topics generated stakeholder feedback during the specification development process for ENERGY STAR Luminaires and Lamps Versions 2.0 on that led the Agency to believe that further discussion on these topics among stakeholders would be beneficial.
