Youth empowerment is a process where children and young people are encouraged to take charge of their lives. They do this by addressing their situation and then take action in order to improve their access to resources and transform their consciousness through their beliefs, values, and attitudes. Youth empowerment aims to improve quality of life.

Women's rights are the rights and entitlements claimed for women and girls worldwide, and formed the basis for the women's rights movement in the nineteenth century and feminist movement during the 20th century. In some countries, these rights are institutionalized or supported by law, local custom, and behavior, whereas in others they are ignored and suppressed.
