A stepfamily, blended family or bonus family, is a family where at least one parent has children that are not genetically related to the other spouse or partner. Either parent may have children from a previous relationship. Children in a stepfamily may live with one biological parent, or they may live with each biological parent for a period of time.

### **Stepfamily - Wikipedia**

Ensure that local strategic plans adhere to national guidance, primarily Statutory guidance on promoting the health and well-being of looked after children (Department for Children, Schools and Families).. Ensure the joint strategic needs assessment process is a central component in assessing the needs of looked-after children and young people (Statutory guidance on joint strategic needs ...

>>11495850. Because the video most likely doesn't exist, but people are supposed to believe, without proof, that it does. Then, when people believe things that are not factual, they will repeat these claims alongside other claims that are factual (like how fatherhood.mp4 is an actual child abuse video with voice pattern matching to john podesta), simply because they're related and plausible.
