

studies in the terminology pdf

Terminology is the study of terms and their use. Terms are words and compound words or multi-word expressions that in specific contexts are given specific meaningsâ€”these may deviate from the meanings the same words have in other contexts and in everyday language. [clarification needed] A term is, "a word or expression that has a precise meaning in some uses or is peculiar to a science, art ...

The glossaries contain 1,843 terms and phrases used in the administration of elections in the United States. To ensure the translations were culturally and linguistically appropriate, terms were translated and reviewed by a multi-dialect team of translators representing the main regions of each language.
