This handbook shows how you can use well-established techniques for writing in plain English to create clearer and more informative disclosure documents.

A Plain English Handbook - SEC.gov

Writing is a medium of human communication that represents language and emotion with signs and symbols. In most languages, writing is a complement to speech or spoken language. Writing is not a language, but a tool used to make languages be read. Within a language system, writing relies on many of the same structures as speech, such as vocabulary, grammar, and semantics, with the added ...
