Ultima noapte de dragoste, ĂntĂia noapte de război este un roman scris de Camil Petrescu   publicat  n 1930. Autorul surprinde drama intelectualului lucid,  nsetat de absolutul sentimentului de iubire, dominat de incertitudini, care se salveaz  prin con tientizarea unei drame mai puternice, aceea a omenirii ce trĂie te tragismul unui război absurd, văzut ca iminen  a mor ii.
