

### **sweep the story of pdf**

A chimney sweep is a person who clears ash and soot from chimneys. The chimney uses the pressure difference caused by a hot column of gas to create a draught and draw air over the hot coals or wood enabling continued combustion. Chimneys may be straight or contain many changes of direction. During normal operation, a layer of creosote builds up on the inside of the chimney, restricting the flow.

Sooty is a glove puppet television, stage, comic book and film character, who is a small yellow male bear with black ears and nose who likes to perform magic tricks and play practical jokes. Although mute to the audience, he is said to be able to communicate by 'whispering' in the ear of his handler. He was created by the puppeteer, magician and pianist Harry Corbett in 1948.
